PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT
ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)

Sir:

Applicants have received a Notice of Abandonment dated December 17, 2003, advising that the above-identified application became abandoned for failure to timely and properly reply to the Notice to File Missing Parts (hereinafter "Notice") mailed on October 4, 2001.

Applicants hereby petition for revival of the application.

Applicants submitted a reply to the Notice on January 4, 2002. Copies of the documents submitted in the reply are attached hereto. They are as follows:

1) Notice to File Missing Parts of Nonprovisional Application, dated October 4, 2001 (2 pages);

01/23/2004 AXONDAF1 00000045 231950 09920702

01 FC:1453 1330.00 DA

App. No. 09/920,702
Docket No. 40983 US

2) Response: Notice to File Missing Parts of Application, dated January 4, 2002 (1 page);

3) Petition for Extension of Time under 37 C.F.R. 1.136(a), dated January 4, 2002 (1 page);

4) Declaration and Power of Attorney for Patent Application (12 pages).

5) Cover of certified copy of priority document (1 page).

Also attached is a copy of an Acknowledgement Card having a Patent Office date-stamp of January 18, 2002, which indicates that the Patent Office did in fact receive the documents.

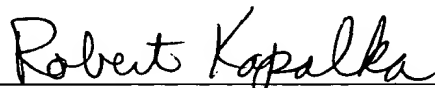

It appears that applicants overlooked the requirement in the Notice for submission of substitute drawings. A set of substitute drawings in compliance with 37 CFR 1.84 is submitted herewith.

Authorization is hereby given to charge the petition fee set forth in 37 CFR 1.17(m) in the amount of \$1,330.00 to Deposit Account No. 23-1950.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Respectfully submitted,

Buck et al.
